Program COLLIN ALPERTS CLASSIFICATION TALK

Collin Alpert’s Classification speech contained not only very interesting information but some good laughs. He told us about how his career path wound it’s way from a large national accounting firm to a small private north side accounting firm. that was eventually purchased by a large national company. Because of this he found another small firm with which to work for as he put it “far to long” while at this firm he was chosen to become a real estate broker. All of this activity was on the far North in Northbrook. In 1998 his wife passed because of Cancer. He found another person with which to share his life at his synagogue. The step children did not want to move so fortunately for us, Colin relocated to the South Suburbs. He was a member of Rotary in Northbrook and as a result of his experience there he sought to continue his Rotary activity with us. Collin’s practice is primarily with small real estate development companies. Collin serves our club as a member of the Flossmoor Fest committee and the Food Drive

Announcements

Any one wishing to attend a White Sox Game Sept .8th against the Twins Contact Gerry Bradley and let him know how many tickets you want. We have enough members signed up to qualify us for a deluxe bus but we still have more room. The B.B Q will take place at Jerry Palms house before making the trip. Gary emphasized that this is an outing to promote fellowship among our members and this should be the first objective and priority. Game time is 7:05 pm.

- How’s the reading of Mrs. Mike going? It’s only one month till Joe Ledwell Gives his Book Report on the novel.
- Gary announced that RI is offering a Rotary Credit Card which, when used, will provide income to the individual clubs but also to RI. He passed out applications that can be used to apply for the card. I’m sure that anyone who was not at the meeting wishes to apply, Gary can make applications available.
- Those of you that did not pick up your shirts at this weeks meeting your account is being billed for the \$30.00. You can pick up your shirts at upcoming meetings.
- If any of you need your laminated *away from home* badges replaced please let Joe Commerford know so he can make new ones for you. There is NO CHARGE for these badges.
- A suggestion has been made that a contact number be provided to enable activity volunteers to notify the person responsible for the activity if they cannot show-up as promised.

- ☑ Rick Thiernau pointed out an error that I made in the synopsis of his presentation. In the sentence that says “Rick suggested two things that every club should do”. Number (2 should read; *initiate 1 Rotary Program a Month*. Sorry Rick.
- ☑ In an effort to assure that all members can satisfactorily down-load the spokes person I have alphabetically divided the mailing list into three parts. This will reduce the number addresses that the web will have to handle. It might or might not work.
- ☑ There was placed on the lunch tables an article by Dr. Jagdish Bhatt-PP of the Rotary Club of Bombay Airport entitled *SEVEN HABITS OF HIGHLY EFFECTIVE ROTARIANS*. As part of our Spokesperson. I will include One of the titles of each of the seven Habits. This week it is habit:

1. Attendance

- ☑ This editor wishes to thank the members for being so patient while we attempt to solve the down-load problems. Hopefully with your help we will be able to correct MOST of the problems. Also I want to thank all of you for accepting the new song. You really made me feel very proud when I heard how gustily you sang it this meeting.
