PROGRAM

Our guest speaker was **Jim Tresouthick**, Forester and L & M Supervisor, from Homewood Public Works. Jim alerted us to the severe problem of the emerald ash borer, which is often referred to as the "green menace." The state of Illinois is under Federal Quarantine – no wood can be moved in or out of the state. Homewood is in the middle of an infestation and on a four-year cycle of removing ash trees. There are 20 traps throughout the town. The larvae of the emerald ash borer do the damage. For more information, visit www.emeraldashborer.info
