PROGRAM

Gary Nordbrock introduced our guest speaker, Nathaniel "Nate" Sutton. Nate is the President of the Sutton Ford Lincoln Mercury dealership. He and his wife have owned the business for 20 years. Nate gave an update on the automotive industry. At this time, sales are down and some dealers are closing, but Nate was optimistic about the future. He said new technology will bring changes to vehicles, which may include alternate fuels such as natural gas and more electric cars. His best selling cars so far this year are the Ford Escape and Ford Focus. In 2010, Ford will be introducing the Fiesta, a bio clean diesel that will get 61 mpg in the city. Thanks for all the updates, Nate!
